

AFMN Biomedicine team proudly thanks our reviewers for their invaluable contributions over the past year. In 2025, more than 100 dedicated reviewers supported the peer-review process, enabling the publication of 56 high-quality articles with meaningful scientific impact. We are deeply grateful for your time, expertise, and commitment to our Journal and open science. Your support is essential to advancing research and strengthening the scientific community. Thank you all!

List of Reviewers

1. Prof. Dr. Gorana Mitić, Department of Pathophysiology and Laboratory Medicine, University of Novi Sad Faculty of Medicine, Novi Sad, Serbia
